Dear Ms. Costello,

"I don't have words to express my gratitude. I am so very appreciative of the help I received. I am in the same house and doing so much better."

We could not come up with a better way to thank you for your kind donation than using the words of one of the families touched by gifts like yours. Your generous contribution of **\$1,000** was received on **12/9/2016**. We truly appreciate your support and look forward to connecting your resources directly to families in need of a helping hand.

So far in 2016, we have assisted over 125 families and their 200 children to remain housed through direct assistance for rent, moving costs, utility bills, and enrichment activities that families otherwise could not afford for their children. Your donation will have a long-term, positive influence on the lives of families as we seek to increase our impact in the second half of the year. We appreciate your commitment to Family-to-Family and your willingness to support our efforts to end family homelessness.

With Gratitude,

Christina Donnelly
Executive Director
