Dear Ed,

I would like to thank you for your generous donation to the Have A Sammi Kinda Day Fund. Support from donors like you will help us to fulfill our mission of "Creating opportunities to make children smile".

We will be providing children with opportunities to enrich their lives by granting wishes, helping them with basic life essentials, helping them attend a special event and more.

This fund was started in memory of our President's daughter, Samantha Rose Theodore, because she believed it would make her feel good to give back to the community. Well, we have been overwhelmed by the generosity and support of people like you and the willingness of others to give back.

We will be hosting our 3rd Annual Fundraising Event on May 12, 2017 at the IBEW Hall in Dorchester, MA. I am extremely grateful for your donation and your support to help us make this dream become a reality. We look forward to sharing our successes with you and want you to know that we wouldn't have been able to do this without you.

Please feel free to contact me at any time if you have any questions about the organization or how we are using your funds. Please visit our website at www.haveasammikindaday.com.

With much gratitude and thanks,
