Dear Ms. Barrett Costello,

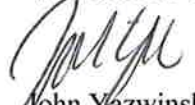

At Father Bill's & MainSpring, we are a community who believes that nobody should be homeless. We are a vibrant and committed group of people who help each other every day to succeed in that goal. Your recent donation of \$1,500 demonstrates your commitment to helping some of the most vulnerable individuals and families – giving a voice to those who may not otherwise be heard, and showing them that they, too, are a part of our community that cares about them. Thank you for giving hope to thousands of people who need it.

Your recent support will be more impactful than ever, as we address our area's growing problem of homelessness through our newest strategic plan. Our focus includes an increase in affordable, permanent supportive housing by 100 units, a more efficient model of care for families experiencing homelessness and a commitment to a housing resource center model to reduce the need for shelter. With the support of our community, we are confident that this plan will change lives and end homelessness for thousands.

Ms. Barrett Costello, you are a key leader in these efforts; none of this is possible without the support of friends like you who believe that *nobody* should be homeless. If you have any questions about how your donation is being used, or you would like to see our programs in action, please contact me directly at 508-427-6448 x2110.

Thank you once again for being a part of our community and for helping us to end homelessness, every day, one life at a time.

With Sincere Gratitude,

  
John Yazwinski  
President & CEO

*Thank you for your support.
