Thank You

January 26,2017

To: Mary Barrett Costello & The Francis M. Barrett Memorial Foundation,

We here at at Campbell Christmas Angels thank you for your amazing and generous sponsorship of children Christmas 2016.

It is due to companies and people like you we were able to provide 148 children with gifts from Santa (Brand new Bedding, a winter jacket, a pr of pjs and toys from their wish list) Christmas morning who may otherwise have gone without.

Please accept a small token of our appreciation for your support of our organization.

We can not thankyou enough and hope your Holiday was just as special as the one you helped us give to the children !!

Thankyou
